**Monday January 24 - Thursday January 27.**

Kindergarten will have a different schedule. Ms. Lorel will be in touch with those parents. Any parents who would like to help tie skates and supervise are invited to do so as long as you wear a mask.

## School Guidelines

We understand that a lot of you may have questions in regards to the protocols moving forward. We have been advised by Division office to follow the same rules as we had before Christmas. All students grades 4-9 **MUST** wear a mask in the common areas, (hallways, bathrooms). **All visitors are required to wear a mask at all times in the school.** Students in Early learning and Kindergarten to Grade 3 do not have to wear a mask. While riding on the school bus **ALL** students must wear a mask at all times.

## Covid Update - Masks and Rapid Test Kits

The Government will be providing medical grade masks and rapid test kits for every school student. Supplies are expected to arrive this week.

**If your family is interested in receiving these items please call the school at 403-739-3770.**

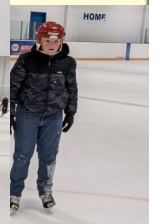

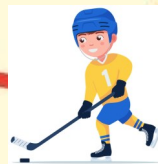

Testing kits are **optional** and are to be used at home (**NO** Testing will take place at school).

Students are allowed to wear the same style masks they wore before Christmas holidays. Wearing of the medical grade masks is **optional**. Please note that these guidelines may change.
