Mr. Moser's Message

Enchant School Community,

We have arrived at the end of our first month of the school year. We have had a great start to the school year and are looking forward to working with all of you to make this the best year possible for all members of our school community. I have enjoyed getting to know everyone this month and have enjoyed working with all of the staff and students at the school immensely.

It was also nice to meet a lot of parents at our Terry Fox Run and Welcome back BBQ. It was a great event. I would like to thank those parents from our school council for their help in preparing and serving burgers at the event. We are also appreciative of those parents that helped with cleaning up as well. A shout out to Mr. O'Connor and the Junior high students who set things up and made sure we all had a place to enjoy the burgers. We nearly doubled our Terry Fox Fundraising goal of \$1000.00. Total donations were \$1923.25! Thanks for all of your generosity going to such a great cause.

We held our first School Council meeting earlier this month and a new executive was formed for this school year. A big thank you goes out to Catrina Howg (former chairperson) and Dana Cailliau (former secretary) for their service over the past school year. Our new Chairperson for the 2022/2023 school year is Sarah Emelson and Vice-Chair is Jenna Wiest. We are still in need of a volunteer to serve as secretary.

Our School Society which does a tremendous amount of work organizing fundraising casinos are still looking for volunteers to help with the casino in Lethbridge on October 10 and 11. If you are interested let us know and we can get you the information that you need. The funds raised contribute to field trips, Missoula's children's theater, and other great things being offered at the school to all students.

Enchant School's ESAC fundraiser Update!!!

Our casino volunteer list so far:

Dany and Joe Emelson, Darren and Sarah Emelson, Catrina and Damon Howg, Donna T, Josh W, Jeff V, Kelly Schmidt, Darryl Moser, Christine S, and Dana C

I would like to thank the above families and school staff that have offered to volunteer their time with the upcoming Casino shifts. That being said, we still need more families to help out! Ideally if we could have 1 family representative at the casino that would show a great school/community group effort! You can send an aunt, uncle or even grandparents!!

We are aware that this is such a busy time of year for all rural families, but unfortunately we do not get to decide when we are given our Casino Dates. After not being able to have this huge fundraising opportunity for the last couple years, due to Covid, our school....including all our students will really benefit from the funds that we receive. My hope is that we could create a huge group effort in filling in these shifts. Really it's just a few hours of our time that will ultimately provide many things for our school and our kids for over the next 3 years. Better then selling apples and cookies every month I would say.

These funds will cover busing for any school field trips, they also pay other field trip costs such as admission into the places the kids go, The Missoula Children's theatre opportunity, Ski Trips, Swimming days, any new equipment needed for our school gym, all of the new Chrome Books we recently got, the library furniture....even the playground equipment outside. The list goes on and on as to what we can provide, and what we have provided for many years for all of the students with this fundraiser. If we can't get the volunteers necessary, we are at risk of loosing this opportunity and then in turn we would not be able to provide all of the things mentioned above for our students.

Let's work together and find a way to have more families participate and try to at least send one family member to help with our casino shifts.

***Casino Dates ***

*****Please get your volunteer sheets from the office, fill out ASAP and then return to the office if u have not already.*****
