September Edition

Terry Fox Run Update

Once again Enchant School Families have shown how much they care. Together we raised \$2099.00 in the fight against cancer. Thank you for all your support.

Thank you to Mr. Moser and Mrs. Howg for running our Volleyball skills camps. The kids are looking awesome and having so much fun!

Don't forget your best smiles for Picture Day October 19th. Like years past we would like to have our Early Learners have their pictures done. We are asking that they come at 9:00 am., so they are done before the rest of our classes get started. There has been a change from Lifetouch. In years past they have provided a class picture for each student. Due to rising costs they will no longer be offering a free class photo. You will have to order a package to get a class photo or pay \$9.99 for one.

Hot Lunch Cards

Enchant School has lunch cards for sale. They can be purchased in the office and are available for anywhere from \$10.00 - \$25.00 each. If you are interested please reach out to Mrs. Bell at 403-739-3770. The cost for hot lunches will be \$3.00 for hot dog lunch and \$5.00 for hot lunch.

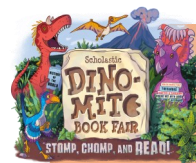

Fire Prevention Week

Did you know Fire Prevention Week is observed each year during the week

of October 9th in commemoration of the Great Chicago Fire, which began on October 8, 1871. The fire was started by a lantern that was knocked over in a barn belonging to Patrick and Catherine O'Leary and caused devastating damage to the city.

Once again we will be having the fire department come by for some demonstrations and fun on October 10th.

Book Fair

This years Book fair is scheduled for November 14-16 . The library will be open during Parent Teacher Interviews for parents to check things out.

Mr. Moser's Message

Happy Autumn everyone! We have made it through our first full month of the school year. It has been a busy and productive first month at the school. I want to thank everyone that contributed to our Terry Fox Run. It is fantastic that a school and community as small as Enchant is able to raise over \$2000.00 for cancer research.

On Thursday September 28th we had our first "You Got Caught" assembly to recognize students for just a few of the good deeds that they have done around the school in the month of September. Enchant School also recognized Orange Shirt day (National Day for Truth and Reconciliation). In our assembly students competed in some traditional games of the First Nations People.

Students Grades 3 to 6 have the opportunity to compete in the Trout Pond Trot on Thursday, October 5th in Taber. Information on this event has been provided in a handout that interested students picked up in the office. This 2.5 km race is a fun event that provides students with the opportunity to try cross country running. We also have a group of students participating in after school volleyball on a weekly basis. We will be hosting Vauxhall Elementary at the end of the month in some fun volleyball competition.

We are currently looking for an Educational Assistant to work in the Pre-K classroom at the school. The position is for Monday and Wednesday afternoons. If you or someone you know is interested in this position please have them contact me at the School to get more details about the position.

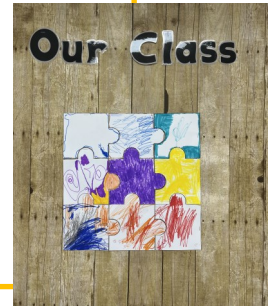

Darryl Moser

Terry Fox Run/ Back To School BBQ

Monthly Highlights

In Early Learning we have spent the past month creating a classroom community. As a whole class we have explored building friendships, following routines and developing a foundation to learning success. As we move forward in the next month we will explore the life of a pumpkin and all things fall. Continuing to build our classroom community by engaging in cooperative play opportunities and multimodal literacies.

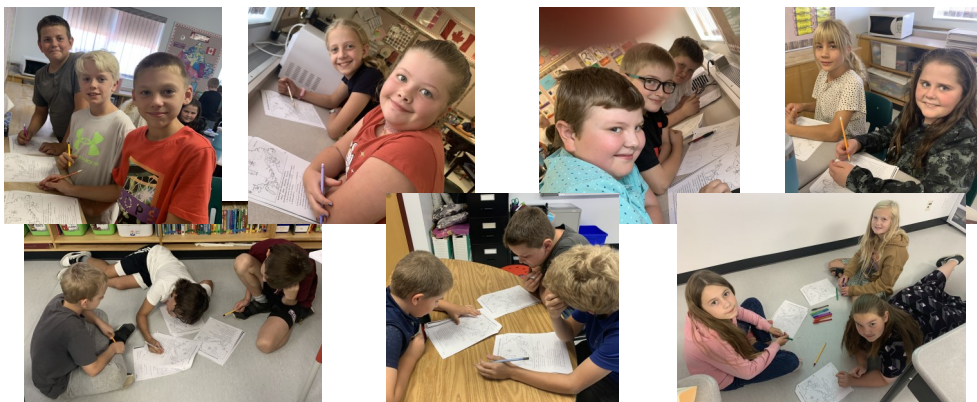

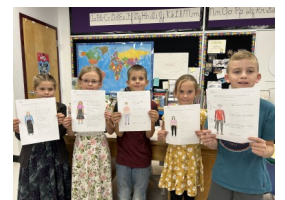

The grade 1/2 class has had a great start to the school year! We have been busy having fun and learning routines in the classroom. The grade one students have been reviewing letter names and sounds and the grade two students are busy reviewing long vowel words. We are learning about the four seasons in science and belonging in social. The class has been making Fall crafts and celebrating the new season. It is going to be a great year!

Kindergarten has had a wonderful start to the school year! We have been learning school routines as well as diving into talking about letter sounds and numbers to 5. Your kindergarten child will be receiving a key ring to bring home with letter sounds on it for your child to review what we have been discussing at school. Students have been talking about apples and have completed an apple booklet as well as some crafts and activities surrounding the topic. We will be looking at the topics of the fall season as well as learning what the five senses are in the coming weeks. We wish everyone a happy thanksgiving and we are so thankful to be learning and growing at Enchant School! 😊

Ms. Kirsti started her Family Connections classes with the 3/4's this month. The students began their lessons by talking about stress. They discussed how they feel when they get stressed. The students did a great job on their worksheets for Ms. Kirsti.

The grade 5/6 class has had such a great start to the school year. We are looking forward to all the learning and discoveries we will make as the year progresses and can't wait to share the fun with you!
