

Celebration of Learning Thursday, February 1st

The students are excited to invite their parents to their classroom next Thursday between 3:40 pm and 5:30 pm to celebrate their learning so far this year. Your student will have a chance to take the lead and show you what they have been learning about in their different subjects.

You do not need to make an appointment, just drop in at some point between 3:40 and 5:30 and plan on ten to fifteen minutes with your child. We hope to see you all there. If you have any questions please call the school.
