# Moser's Message

Dear School Community,

Merry Christmas and a Happy New Year to everyone. We have had a great month at the school and are looking forward to the new calendar year. Students have worked so hard on preparing and performing at our Christmas concert. I want to thank all of the staff and students for all of their hard work. A big thank you to the school council and all of the parents that volunteered to prepare and serve the Christmas lunch at the school. It was greatly enjoyed by everyone.

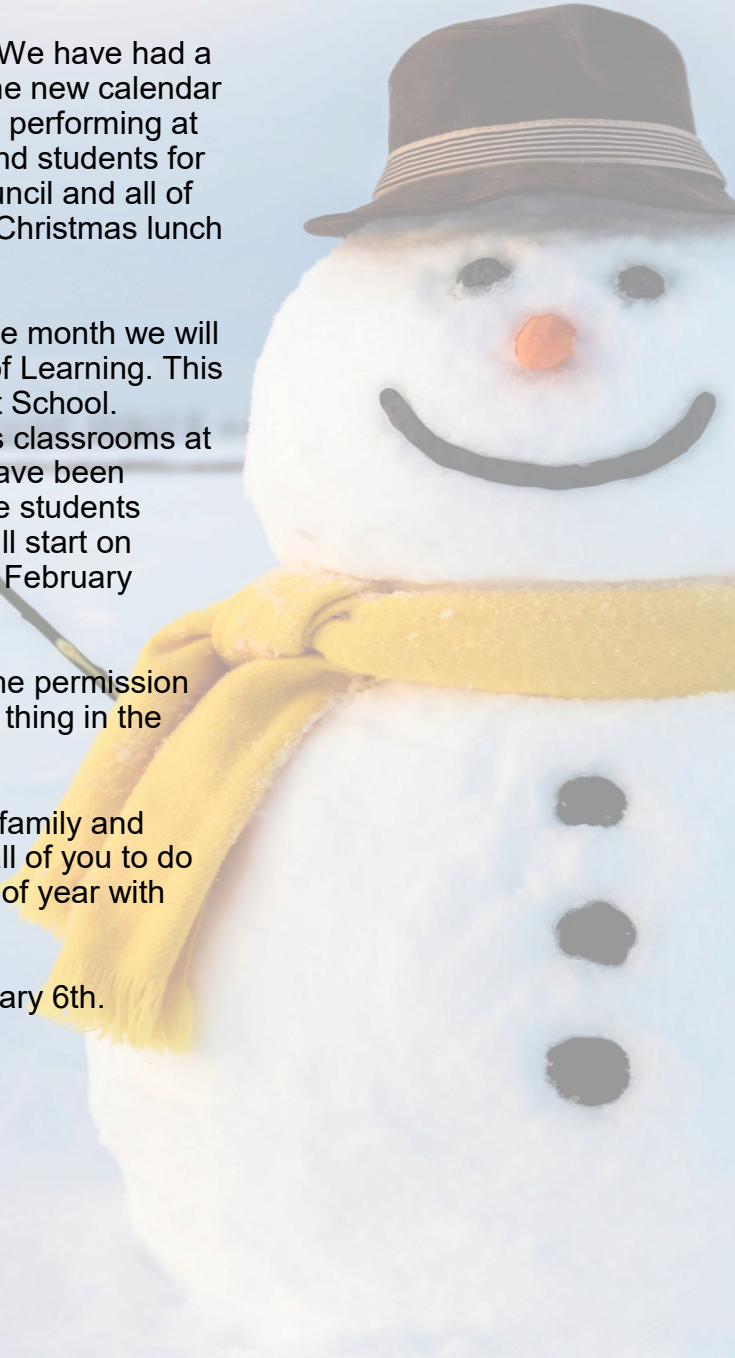

January is a busy month at the school. At the end of the month we will be hosting parents on January 30th for a Celebration of Learning. This will be our second year of having this event at Enchant School. Parents will have the opportunity to visit their children's classrooms at the end of the school day to take a look at what they have been working on and participate in different activities with the students taking the lead. Basketball for students in Grade 1-6 will start on Thursday, January 9 and happen every Thursday until February Break.

A School Ski Trip is planned for February 13th. All of the permission slips and information for this trip will be sent home first thing in the New Year.

Christmas Break is a great time to relax and enjoy the family and friends that we have in our lives. I want to encourage all of you to do your best to slow down and celebrate this special time of year with those that matter most.

We will see everyone back at school on Monday, January 6th.
